Mr. Domenic Matteri

Seniors!). This was one of the Matteris' favorite hobbies.

Domenic Matteri is an Honorary Life Member of PTA and a member of the Turlock Bowling Association. He has been a member of the Knights of Columbus for 30 years. He holds the 3rd and 4th degrees and was the Grand Knight for 2 years.

Domenic, THANK YOU! We appreciate your time and energy on our behalf.

Diane Staedler  
1978-79 Tom-Tom Editor

The 1978-79 Crestimba Tom-Tom and the Senior Class of 79 would like to recognize Mr. Domenic Matteri for his contributions to the youth of our community by dedicating this yearbook to him.

There are many interesting factors that we learned about our Mr. Matteri. For instance, Mr. Matteri was born in Italy and came to Tomales, CA., with his mother when he was 1 year old. In Tomales his father was a cook at the William Tell Hotel, which is still owned by Matteri's relatives.

Mr. Matteri attended Marshall and Two Rock Elementary Schools. When he was a boy, he played baseball in the cow fields. Mr. Matteri left school to learn to be a mechanic at a Petaluma garage.

In October 1925 Mr. Matteri and his family arrived in Newman, where he worked as a mechanic.

In 1939 he married Nydea Azevedo. They had two children, Ron and Dorothy. Mr. and Mrs. Matteri are the proud grandparents of five grandsons.

Mr. Matteri was in trucking for 26 years. He delivered milk in cans to dairies such as Carnation. Mr. Matteri worked at the Shell Station on N Street for 14 years after he retired from trucking. He was a mechanic, and it was there an injury caused his total disability. Since then, he has devoted his life to the youth in our community.

Mr. Matteri has always been athletic and he shared his knowledge and skill with others. From 1926 to 1929 he sponsored, managed, and coached his team, the Fairview Athletics, which was composed of high school boys. Mr. Matteri was one of the founders of the Babe Ruth League in the early 1940's. All athletic programs have received a boost from Domenic. He also handles the local Ford-Motor Company Punt, Pass, and Kick Contest. Mr. Matteri is active in the Newman Boosters Club.

Mr. Matteri, besides contributing to our athletic programs, was active in community clubs. Mr. Matteri was a Cub Scout and Boy Scout Leader. He also helped his wife in Brownies and Girl Scouts.

Have you ever received a visit from a jolly fat man accompanied by his wife at Christmas time? Did this bearded man give you a bell to hang on your tree? If so, we are talking about the same people-Mr. and Mrs. Santa Claus Matteri. They have gone to convalescent homes and visited good little children (who may now be

## ANOTHER YEAR

The days become longer and the nights become shorter.  
And time passes too swiftly for the mind.  
We remember days that passed although we try to forget.  
Today we'll start a new year and think of things to come.  
I guess this feeling inside is just knowing that  
Another year has come and gone.  
And not knowing where it went to makes it feel rather odd.  
The starry night we spent last year  
Will now be spent with someone new  
And hopefully this summer won't be

The class of 1979 has encountered many problems and many obstacles throughout our four years at Orestimba. Typically, we have been successful in meeting these demands.

At the beginning of our freshman year, we were shy, backward, and uncertain. As seniors we ruled—at least we could order, "Keep off the senior table!"

As we graduate, life becomes a puzzle of decisions. None of us have dealt with such choices before—choices that will change our whole attitude toward life. It is up to us as a graduating class and as individuals to select the course which appears to be right for us.

"As the year that was" we'll in June walk through the door to our future, taking the memories of our struggles and successes, our failures and accomplishments, and most important, our education.

A vintage postcard with a central black and white illustration of a woman in a cap and coat holding a hat. She is standing next to a large red heart. The entire card is covered in handwritten red and blue ink messages. The red ink text includes: "Julie - I will have one of the best summers ever. Have trouble, you be getting in the car and around in the future.", "I hope you come", "I hope you come", and "Griffith G. J. C.". The blue ink text includes: "I know you won't always stay cool and pleasant", "I hope you get it together", and "I hope you get right". There are also decorative black scrollwork flourishes on the left side.

## CLASS OF '82

Freshman class members seemed to possess more confidence and self-assurance than most new students. They participated in rallies with gusto, quickly overcoming the usual freshmen shyness.

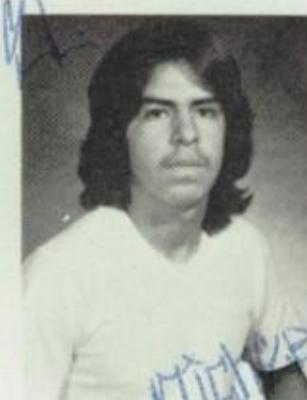

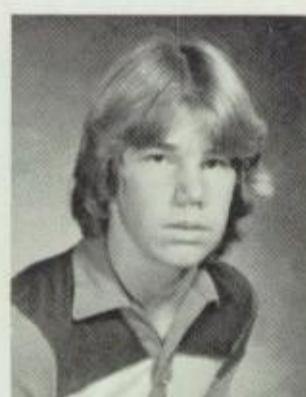

As the end of the school year neared, whatever qualms freshmen had concerning high school life had fully disappeared. They now await their sophomore year with eager readiness!

What did you say?

OH YA!

Homecoming is a very important social event during the school year. Everyone looks forward to the crowning of the queens, the float competition, the parade, spirit week, and the dance. The students, parents, and advisors gave a lot of their time working on floats. It takes hard work and patience making flowers and it is difficult to get the float finished in time for the parade.

The Freshman, Sophomore, and Junior classes would like to thank their advisors for donating their time to help with the floats. Also, thank you to the parents who put up with a lot of trouble during Homecoming Week.

"Bonny and Clyde"

"Get-away car"

This is the page of "unwanted" people of O.H.S. Bonny and Clyde are well known around O.H.S. Bonny, Clyde, and their accomplices have spread terror all around the campus. The "warden" of O.H.S. is now in control of this "unwanted" gang. He, too, is "unwanted." This "vehicle" to the left is the get away car. How far a person could get in it is very questionable!

Boy, do I get a kick out of this school!!!

Hey, Joey, your mom's here.

I still can't believe we got busted.

I know I'm not supposed to look at my fingers, but....

So, he finally asked you out?!

Who, me?

And then we can move the gas tank to here.

This is easy with my new bionic arm.

But he's such an ick!

Wheee!

That's too bad!

You have got to be kidding.

Hm, not bad

And I love this old machine.

This year many classes and clubs are active in making \$\$\$ . The money is used for uniforms, trips, and other educational endeavors. Some of the activities which are not pictured are the Junior Christmas paper sale, JV Rally Committee Bake Sale and dance, Spanish Club Enchilada sale, and probably many more before the school year is through.

Here are some of the people who worked hard for the class of organization.

THE JOY

OF  
LEARNING

The old Orestimba High School was built in 1909.

Photograph by Mr. Art Mowry  
On Sunday, the 14th of January, 1979, the Orestimba  
Presbyterian Church was destroyed by fire.

We have gone through many changes this year—some we may forget and others that may affect us.

What's left of the old high school's auditorium

Paul Gann, co-author of Proposition 13, spoke at the Newman Chamber of Commerce Breakfast on January 19, 1979. (COURTESY OF THE INDEX)

# ALMA MATER

Orestimba favors only  
The purple and the gold,  
While those of other high schools  
Their colors dear may hold.  
We will stand by our own high school  
Her praises shall be told,  
And we will lift our voices  
For the purple and the gold.

Through the four long years of high school  
Mid scenes we love so well  
As mystic charms to knowledge  
We vainly seek to spell  
As we win our many victories  
And our sportsmanship uphold  
Then we will be remembered  
As the purple and the gold.

Precision!

I want out!

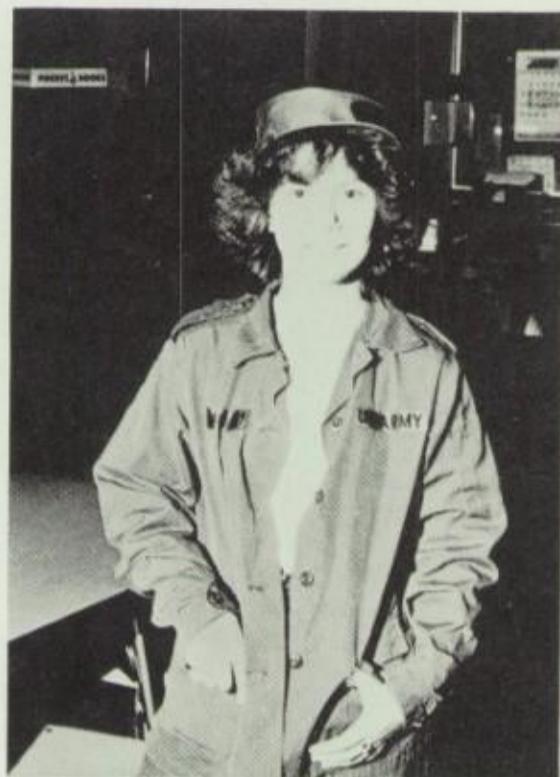

I'm tired.

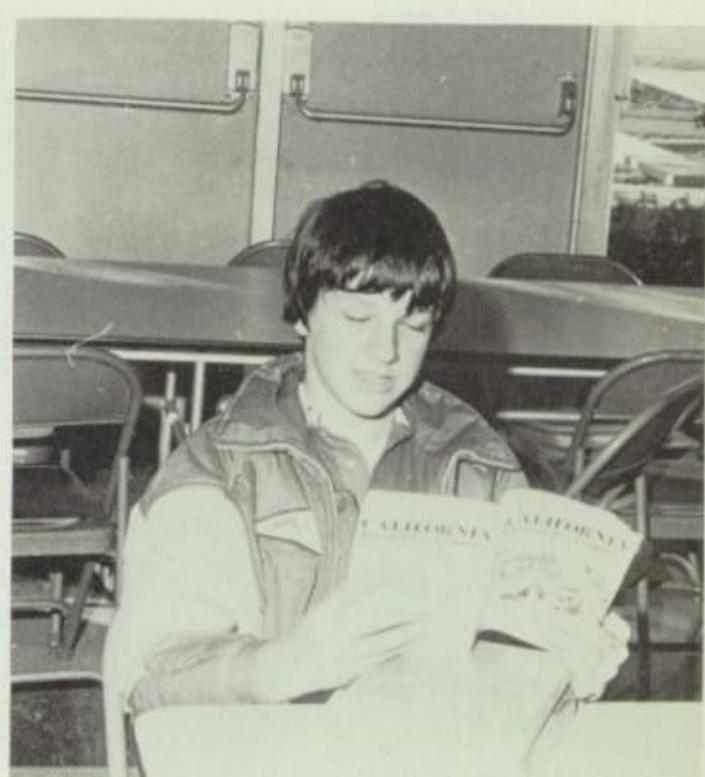

This is my worst class.

I enjoy being in the Navy

Wow, this book has a lot of pictures!

School is fun.

I hope this dress fits my horse.

I'm this many.

I love teaching and being a counselor.

This new machine is fast!

FOOD

I have to hurry and finish my teddy bear!

Group Therapy!!

We're so cool....

We're not interested, Christie....

You're kidding! He said that?!?

This is good stuff!!

The Search for Identity

"Searching"

The time is near to go away and leave  
the world behind. To fly away up in the  
clouds and leave yesterday out of our  
minds.

For tomorrow is what I live for, and if  
I can't have this dream, I'll find myself  
another one that can be seen.
